

## **A PRAYER FOR PRIESTS**

Almighty Father look with love upon the priests of your Church. Bless them and shelter them within your Sacred Heart. Help them to serve lovingly those entrusted to their care, to teach them faithfully your Word and to break for them the Bread of Life. Grant them strength in faith, joy in fulfillment, and consolation in difficulty, loneliness or disappointment. Crown their service on earth with eternal life and happiness with you in heaven.  
Through Christ Our Lord. Amen.
