

For those who have betrayed us. Father, forgive them.
For those who have let us down... [Repeat; Father,
forgive them.]
For those who have been indifferent to us...
For those who have crippled our lives...
For those who have doubted us...
For those who have accused us...
For those who have preferred others to us...
For the family members who have hurt us...
For friends who have denied us...
For those who have walked away from us...

For my own self pity... Father, forgive me.
For my times of despair and distrust... [Repeat: Father,
forgive me.]
For refusals to be loved...
For my disbelief in your love...
For my searching's everywhere but not in your heart...
For my words of love unspoken...
For compliments never offered...
For my kisses and embraces ungiven...
For not believing in your forgiveness...
