

## **A prayer to Our Lady of Lourdes**

"HOLY VIRGIN, In the midst of Your glory do not forget the sorrows of this world. Cast Your merciful glance on all who are sick, and especially on those who call upon You now. Intercede for them with Your Son that their health may be restored; or, If that is not God's will for them, obtain for them the grace to bear their cross with Him.

Have pity on those who weep, on those who pray, on those who are afraid. Bring hope and peace to all."

Amen.

"LORD JESUS CHRIST, during Your life on earth You went about among Your own people doing good to all: You cured sickness and disease, and even raised the dead, because people asked You to do so. Through baptism I am numbered among your people. I firmly believe that You will hear my prayer. Be merciful to those I pray for In their need."

"DIVINE *PHYSICIAN*, Your tender heart was ever moved at the sight of pain and affliction. I beg You, If it Is Your will, to help these suffering ones regain health and strength. Stretch out Your hand to all who suffer, whether [a mind or body. Grant to each of them that peace of soul which You alone can give.

JESUS, Son of David, have mercy on them!
