

ST. ANTHONY

St Anthony is the Saint of whole world. He helps all those men and women who work, who study, or who look for work.

St Anthony was born in Lisbon, Portugal in the year of 1195 on the 15th of August, the Feast of the Assumption of Our Lady. At 15 years of age he left everyday life and went into a Monastery. He was devoted to Holy Mary and to Jesus. He was very poor, with a torn brown gown and was bare footed. He worked in the fields and was paid in bread. This he took among the poor to share with them. This is represented by the bread blessed on St. Anthony's feast day.

St Anthony is a healer in sickness, a soother in pain and sadness. He is a Saint-helper for young and old, for the unemployed and the poor. He is a finder of lost articles as well!

There is a prayer (rosary)

Make the Sign of the Cross, then say the Creed. 13 Our Fathers, 13 Hail Marys, 13 Glory be's. The prayer is to be said as a Novena for 13 Tuesdays for Tuesday is St Anthony's day (not sure if he was born or died on a Tuesday).

God Bless you all
