

**\* A MESSAGE FROM GOD**  
With thanks to Nina Taranto, WA

Dear Editor

...I have enclosed an article someone sent into a magazine I happened to be reading in a doctor's surgery. It seemed to be speaking very directly to me at the time as I am one of those people who prays to God for help then promptly sets about telling Him how to carry on His business.

Kind regards and God Bless all at the Sentinel.

**GOOD MORNING**

am GOD. Today will be handling all of your problems.

Please remember that I do not need your help.

If the devil happens to deliver a situation to you that you cannot handle, **DO NOT** attempt to resolve it. Kindly put it in the SFJTD (something for Jesus to do) box.

It will be addressed in my time not yours. Once the matter is placed into the box, do not hold on to it or attempt to remove it. Holding on or removal will delay the resolution of your problem.

If it is a situation that you think you are capable of handling, please consult me in prayer to be sure that it is the proper resolution.

Because I do not sleep, nor do I slumber, there is no need for you to lose any sleep. Rest my child. If you need to contact me, I am only a prayer away.
