

GOD'S GREATEST GIFT OF THE FAMILY

Time as a Family:

Value time together. Make it fruitful. Do not criticize.

- Listen to one another.
- Encourage one another.
Laugh with each other.
Create with each other.
- Love one another.
- Pray together.
- Work together as a family to overcome obstacles.
If in financial crisis/difficulty, talk about it as a family, involve all so all can participate in a solution.
Give together as a family to those in need.
Need time alone to be with God.
- Respect each other's space, privacy and spiritual path.
Give glory to God in all things and seek only to do His will.
Remember to be thankful for His blessings.
Accept what is given and seek to be faithful to God.
Respond to all things as to God.
- All things must begin with the Most Holy Trinity and end with the Holy Trinity.
Protect your home and family from all evil influences.
Seek ways to grow in holiness.
- Don't be lazy.
Forget self and seek only to please God.
